

**Set in over twelve acres of beautiful land and close to a host of popular outdoor tourist attractions, Play Away is an ideal location for young people to consider the space about themselves. There is plenty to do onsite outside within the centres grounds. You can also book the centre for camping visits.**

**We have a development programme for the outside area at Play Away, to include further provision and extension of the camp sites and adventure playground areas, a mezzanine dining area by the pool and a landscaped pond area and wildlife preserve.**

**Here at the centre we keep a file of popular places to visit for your perusal. We can also supply customised and tailor made maps, rucksacks and outdoor jackets for young people who've forgot to bring their own! Two mini buses are based on the site available for your use. You must book these prior to your visit.**

**For further information give us a call or email us.**
